The Alexandra Foundation  
203-3102 Main Street  
Vancouver, BC, V5T 3G7

Charitable Registration  
#11921 1845 RR 0001

## NEIGHBOURHOOD HOUSE FUNDING INFORMATION

New and existing Neighbourhood Houses are welcome to apply for funds throughout the year. Initiatives must meet the following criteria:

- Start or expand a Neighbourhood House
- Ensure continued and enhanced services in the neighbourhood
- Reflect a community need
- Enable neighbours to participate and share in the development of the House

For further information regarding the Alexandra Foundation and Funding Guidelines, please call the Association of Neighbourhood Houses  
**604-875-9111**  
or visit the website at  
**anhgv.org**

**SOUTH VANCOUVER**

The Alexandra Foundation is a registered charity established in 1977. As a non-governmental organization, the Foundation's purpose is to support Neighbourhood Houses in BC and similar community groups. Income generated by the fund provides

grants and loans to further the aims and objectives of the neighbourhood house movement. A primary goal of the Alexandra Foundation is to assist in the critical start-up phase of new Neighbourhood House organizations and to support the expansion of existing Neighbourhood Houses.

**Working Together  
to Meet Neighbourhood Needs**

**T**he Alexandra Foundation is supported by a trust fund, investment income, individual gifts and bequests. For more than 30 years, bequests and donations have helped to build neighbourhood houses in the lower mainland and BC. Today, there are over two dozen neighbourhood houses across BC, eight of which are the Association of Neighbourhood Houses.

Neighbourhood Houses are places where the local community comes together to address social and cultural needs, meet community concerns and celebrate life. Houses ensure that more than a quarter of a million community residents are welcomed and able to participate and plan a variety of community programs for all ages.

Neighbourhood Houses are being established every year across BC with the help of the **Alexandra Foundation**.

**The Foundation's funds** help to build neighbourhood services by opening new houses in various BC neighbourhoods and assist existing houses to grow to meet increasing demands. Your donation dollar not only puts food on the table but builds the kitchen to support on-going food programs for hundreds of the communities' hungry.

Alexandra Foundation's recent projects include:

- Funding for the successful start-up of Burnaby's first Neighbourhood House.
  - Grants for reconstructing the South Vancouver Neighbourhood House.
  - Funding for a proposed new Neighbourhood House in Vancouver's Downtown Eastside.
  - New community kitchen for Cedar Cottage
  - Redevelopment of Camp Sasamat
  - Renovations to Crescent Beach Community Services' Camp Alexandra established in 1891.
  - Start-up funds for the New Oak Street Neighbourhood House in Surrey
- ...and many more.

### Can you help us today?

Your donation or gift helps enrich the lives of children and families living on limited incomes, people with disabilities and new immigrants and refugees to Canada. Increasing our Foundation's capital generates more income for loans and grants to help build new houses and increase existing services.

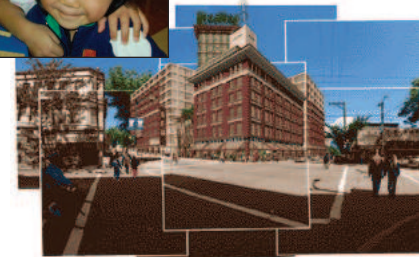

*Details of donations, gift planning and bequests can be found on the last page of this brochure. Visit the ANHGV/Alexandra Foundation website for further information.*

The Foundation is administered by a volunteer Board of Directors and the portfolio is managed by a professional investment management company.

The Alexandra Foundation also administers and supports:

- **The Lucy L. Woodsworth Trust Fund for Children** which enables individual children, whose families have limited incomes, to benefit from wider cultural, social and athletic opportunities.
- **The Elmer Helm Trust Fund** which supports post-secondary education and training for students who require financial assistance to achieve their goals.

Individual brochures are available for both Trust Funds or visit [anhgv.org](http://anhgv.org)
